19 3. Venue is proper in this district by virtue of 28 U.S.C § 1391(b) and 28
20 U.S.C § 1400(a) in that Defendant is a California corporation with its principle place
21 of business located in this district. In addition, acts of infringement, unfair
22 competition and breach of contract have been committed in this District.

23 **THE PARTIES**

24 4. TexCote is a corporation duly organized and existing under the laws of
25 the State of California with its principal place of business located at 2422 E. 15th
26 Street, Panama City, Florida 32405. Plaintiff maintains operations, manufacturing,
27 warehousing and sales operations in this district at 5950 S. Avalon Blvd., Los
28 Angeles, California 90003.

1 5. TexCote is informed and believes, and on that basis alleges, that
2 Defendant SCCCI is a corporation existing under the laws of the State of California
3 having its principle place of business located at 9960 Canoga Ave., D1 Chatsworth,
4 California 91311.

5 6. Doe Defendants 1 – 25 are entities and individuals who acted jointly and
6 in concert to commit the acts complained of herein. The Doe Defendants true names
7 and capacities are presently unknown to Plaintiff but are likely to be obtained through
8 discovery. Together with Defendant SCCCI each of the fictitiously named
9 Defendants is responsible in some manner for the acts and occurrences alleged in this
10 complaint. Defendant SCCCI and each of the fictitiously name Defendants
11 proximately caused the damages alleged herein.

12 **FACTUAL ALLEGATIONS COMMON TO ALL CAUSES OF ACTION**

13 7. TexCote is the exclusive owner of all rights, title and interest in and to:
14 a. U.S. Trademark Reg. No. 0868610. A true and correct copy of such
15 trademark is attached as Exhibit 1.

16 b. U.S. Trademark Reg. No. 1558695. A true and correct copy of such
17 trademark is attached as Exhibit 2.

18 c. U.S. Trademark Reg. No. 3290010. A true and correct copy of such
19 trademark is attached as Exhibit 3.

20 d. U.S. Trademark Reg. No. 3227295. A true and correct copy of such
21 trademark is attached as Exhibit 4.

22 The above Trademark Registrations are collectively referred to herein as
23 the “TexCote Trademarks”.

24 8. TexCote which was founded in 1961 and recently celebrated its 56th
25 anniversary, is a well-known advanced coatings manufacturer and marketer.
26 TexCote offers a complete line of decorative and protective high-build architectural
27 coatings for commercial, industrial, transportation and residential applications.
28 Genuine TexCote products are found on some of the most prestigious buildings,

1 historical landmarks, commercial and residential buildings, commercial structures,
2 bridges, barrier walls, control towers and family homes throughout the world.

3 9. TexCote's sales have been extensive and a substantial portion of those
4 sales are from its TexCote and Coolwall brands and the TexCote Trademarks. The
5 TexCote trademark was first used in Commerce as early as October 26, 1961 and the
6 Coolwall trademark was first used in Commerce as early as March 31, 2006.

7 10. The TexCote Trademarks are associated with TexCote in the minds of
8 consumers, the public and the trade. They identify high quality products associated
9 and originating with TexCote.

10 11. TexCote has gone to great lengths over its 56 year history to protect its
11 name and enforce the TexCote Trademarks.

12 12. The TexCote Trademarks are unique and unusual and no other
13 manufacturer uses them, individually or collectively, to denote source in the industry,
14 as TexCote does.

15 13. On December 31, 2006 SCCCI and TexCote entered into a Trademark
16 License Agreement, granting SCCCI a non-exclusive license to the TexCote's
17 COOLWALL SYSTEMS Trademark. A true and correct copy is attached as Exhibit
18 A.

19 14. SCCCI also signed two Textured Coatings of America, Inc. Literature
20 and Trademark Agreements, one is for standard dealers and the second is for
21 Platinum Dealers. True and correct copies are attached as Exhibit B.

22 15. SCCCI has breached the Trademark License Agreement and the
23 Literature and Trademark Agreements by continuing to use the TexCote Trademarks
24 after the relationship was terminated.

25 16. On February 19, 2016 TexCote sent a letter to SCCCI informing them of
26 termination of the agreement and requesting to remove all TexCote Trademarks and
27 all Coolwall logos and registered trademarks from the marketing materials and
28 websites. A true and correct copy is attached as Exhibit C.

1 17. TexCote terminated the relationship due to Defendant not meeting its
2 sales quotas which were agreed as part of being a TexCote Platinum dealer.

3 18. After TexCote notified SCCCI of termination of the relationship,
4 Plaintiff is informed and thereon believes that SCCCI continued to use the TexCote
5 Trademarks. Screen captures of the SCCCI website showing the TexCote
6 Trademarks in use are attached as Exhibit D.

7 19. After discovering this continuing use over a year later, Defendants still
8 have TexCote's Trademarks on their website, TexCote then sent a cease and desist
9 letter on April 17, 2017 to Defendants informing them to stop using the TexCote
10 Trademarks. A true and correct copy of this letter is attached as Exhibit E.

11 20. On April 25, 2017 SCCCI wrote TexCote a letter in response assuring
12 TexCoat they will have the TexCote Trademarks removed. A true and correct copy
13 of this letter is attached as Exhibit F.

14 21. Defendants, their agents, employees and representatives, are aware of
15 TexCote's reputation and goodwill in its TexCote Trademarks and Coolwall brands
16 and trademarks.

17 22. Defendants still advertise, promote and sell their products with
18 TexCote's Trademarks on their website and Defendants have infringed, and are
19 continuing to infringe on the TexCote Trademarks.

20 23. The use of TexCote's Trademarks is likely to cause confusion, to cause
21 mistake, or to deceive, as to their sponsorship or origin.

22 24. Defendants do not currently have TexCote's authorization to continue to
23 use the TexCote Trademarks in any way.

24 25. The infringement by SCCCI of the TexCote Trademarks is likely to
25 confuse consumers, the public and the trade to believe erroneously that products sold
26 by Defendants emanate or originate from TexCote, or that said products are
27 sponsored, or approved by TexCote, even though they are not.
28

1 26. Defendant's actions are malicious, intentional and willful. Defendants
2 are aware of the termination of the use of TexCote's Trademarks yet continue to use
3 the TexCote Trademarks.

4 27. This confusion causes irreparable harm to TexCote and weakens the
5 TexCote Trademarks.

6 28. Defendants have unfairly benefited and profited from TexCote's
7 reputation for high quality products and its advertising and promotion of its products.

8 29. Defendants have profited through the infringement of the TexCote
9 Trademarks and as a result of Defendant's unlawful infringement of TexCote's
10 Trademarks, TexCoat has suffered and will continue to suffer damages. TexCote is
11 entitled to recover from Defendants the damages suffered by TexCote as a result of
12 Defendants' unlawful acts.

13 30. Defendants' infringement of the TexCote Trademarks is willful and
14 deliberate, entitling Tex Cote to enhanced damages and reasonable attorney fees and
15 costs.

16 31. On information and belief, Defendants intend to continue their unlawful
17 infringing activity, and TexCote continues to, and will continue to suffer irreparable
18 harm for which there is no adequate remedy at law from such unlawful infringing
19 activity unless the Defendants are enjoined by this court.

20 32. Defendants' use of TexCote's Trademarks on or in connection with the
21 promotion, advertising, sale, offering for sale, or distribution of Defendants' products
22 constitutes trademark infringement and unfair competition because such acts
23 constitute false representations, false descriptions, false designations of origin and
24 cause a likelihood of confusion deception and mistake by the consuming public and
25 the trade.

26 33. TexCote has suffered loss of profits and other damages from the
27 confusion, mistake and deception resulting from the acts of Defendants, and TexCote
28 is informed and believes, and thereon alleges, that TexCote will continue to suffer

1 such damages unless and until Defendants are enjoined and restrained by this Court
2 from engaging in the acts complained herein.

12 37. The registrations are in full force and effect and Plaintiff has authorized
13 responsible manufacturers and vendors to sell the products with these marks.
14 Defendant is no longer one of those vendors.

15 38. Defendants' unauthorized use of the TexCote Trademarks on inferior
16 quality products in interstate commerce and advertising, the use and promotion of
17 products that are likely to cause confusion, or to cause mistake, or to deceive as to the

19 39. Defendants' actions, as described above, constitute false and misleading

22 Defendants' products and/or TexCote products.

23 40. Defendants activities described above have at all times been willful
24 and/or knowing, entitling TexCote to enhanced damages and an award of attorney's
25 fees.

26 41. As a direct and proximate result of actions of Defendants described
27 above, TexCote has been damaged, and will continue to be damaged.
28

42. Without TexCote's consent, Defendants used and continue to use in commerce the TexCote Trademarks set forth in the allegations above in connection with the offering, distribution, and/or advertising of goods and services which is likely to cause confusion, or to cause mistake, or to deceive, in violation of the Lanham Act 15 U.S.C. § 1114(1).

43. TexCote incorporates by reference the allegations set forth in Paragraphs 1 through 42 inclusive of this Complaint as though fully set forth herein.

44. Defendants have deliberately and willfully attempted to trade on TexCote's long standing and hard-earned goodwill in its name and TexCote Trademarks and the reputation established by TexCote in connection with its products, as well as in order to confuse consumers as to the origin and sponsorship of Defendants' goods and to pass off their products in commerce as those of TexCote.

45. Through Defendants' use of the TexCote Trademarks, its advertising in connection with its sale of its products, Defendant is passing off its products in a manner that is false, misleading and misrepresentative of the nature, characteristics of its products.

46. Defendants acts are likely to cause confusion, or mistake and have confused and deceived actual and potential customers into believing that the products offered by Defendant are actual TexCote's products and/or affiliated with, sponsored by, or somehow connected with TexCote.

47. As a direct and proximate result of Defendants' actions, TexCote has suffered and continues to suffer damages, including damage to its goodwill and reputation.

48. The knowing, intentional and willful nature of the acts set forth herein renders this an exceptional case under 15 U.S.C. § 1117(a).

49. The continuing loss of goodwill cannot be properly calculated and thus constitutes irreparable harm and injury for which TexCote has no adequate remedy at law unless the Court enjoins Defendants' conduct.

53. Defendants have deliberately and willfully attempted to trade on TexCote's long standing and hard-earned goodwill in its name and marks and the reputation TexCote established in connection with its products, as well as to confuse consumers as to the origin and sponsorship of Defendants' goods and to pass their products off as those of TexCote.

8 and misleading representations of fact; and

10 confusion or of misunderstanding.

11 55. As a result of Defendants' aforesaid conduct, Plaintiff has suffered
12 substantial damages as well as the continuing loss of goodwill and reputation
13 established by TexCote in its products and the TexCote Trademarks. The continuing
